

# Annual Fall Hike Weekend

Read Scout Reservation, Brant Lake, NY

**Save The Dates....**

**September 15th—17th, 2017**

---

**J**oin you're your fellow "Friends of Camp Read" for a weekend of fun and adventure this fall. We are planning to have several hikes for all abilities in and around Camp Read (Hiking not required, just come up and enjoy the good company and the Adirondacks in the Fall).

In-camp Lodging options include the Pearlman Building (Buckskin Office in the Summer) or the "new" Farmhouse. Both facilities have camp bunks and full bath facilities (need to bring sleeping gear and towels) You may also choose to stay outside of camp at one of the many hotels or rental properties in the area.

Food is on your own, cooking facilities are available in camp or choose to dine at a local restaurant.

If you would like to attend please call or send your contact info to:
